

CIRCLE THE CORRECT THUMBS

THUMPS UP IS A SURPRISE VERSUS THUMPS DOWN IS AN UNSAFE SECRET

▶ What if someone tries to touch your private parts, and tells you not to tell.

▶ What if someone at your church gives you a present and makes you pinky promise that you won't tell anyone about it

▶ What if your mom asks you to not tell your dad about a present that he is getting for his birthday

▶ What if an aunt or uncle says, "it's our little secret" when they tell you about something

▶ What if your teacher gives you and everybody else in the class a cookie at the same time
